3. JAIN IRRIGATION

The Jain Foundation set by Jain Irrigation Ltd participates in rural development by undertaking to support a primary school building, a community hall, a dispensary, and various medical camps. It also donates money to the needy patients for meeting the expenses of major medical treatment/operations, scholarships, etc.

10. JAIN IRRIGATION

Though the company does not discharge any pollutants, it has to created a fairly good environment around its factories, with large spaces for lawns, flower gardens and greenery.
