JAIN-INCID AWARD

The Indian National Committee on Irrigation and Drainage (Govt. of India Undertaking) in association with M/s. Jain Irrigation Systems Ltd., with its sister concern M/s. Jain Charities, Jalgon (Maharashtra) have decided to institute awards to honour farmers/group of farmers making significant contribution towards development of modern technology in the field of irrigation, drainage and water management and related subject. There will be two awards namely:

- 1) JAIN-INCID SOOKSHMA SINCHAI PURASKAR
- 2) JAIN-INCID KRISHI SINCHAI VIKAS PURSKAR.

The awards will be by cash payment of Rs. 51,000/- each and a plaque with citation. Individuals/institutions to be considered for this award should have atleast four years of field experience in India in the area of land and /or water innovation or improvement in existing practices and prevalent techniques. Emphasis would be on the work, which has been conducted or proved under field conditions.

Two Awards in the Field :

a) The First Award will be conferred on a farmers for excellence in practising modern/micro irrigation and drainage techniques. The particular thrust areas which, inter-alia, could be considered would include the following :

i] Use of Micro Irrigation Systems and evolving plant support practices (including but not limited to good design and careful management) resulting in high productivity, reduced cost and premium quality produce.

ii] Determination of soil, water and crop relationship and effective use of Micro Irrigation Systems for increase in Yields.

iii] Adoption of physical and chemical water treatment methods in Micro Irrigation and Sprinkler Systems.

b) The Second Award will be conferred on any individual, group or an organisation for significant contribution towards development of modern technologies in the field of farm and irrigation, drainage and related subjects. The particular development of modern technologies in the following

related areas could be considered.

- i] Control of "Water-logging and salinity".
- ii] Prevention of losses in water conveyance for agricultural irrigation and drainage.
- iii] Improvement and innovation in the design of various components of Modern/Micro Irrigation Systems e.g. emitting devices, dripper line, drip tape, filtration systems, nozzles etc.
- iv] Use of brackish water and effluent treated water for agriculture and agro forestry with the help of Modern/ Micro Irrigation Technologies.
- v] Waste land development through use of modern irrigation methods.
- vi] Automation of Irrigation systems including mechanical irrigation distribution systems.
- vii] Agronomic and /or engineering practices which enhance effectiveness of Modern / Micro Irrigation and Drainage technologies for farm appliances.

All organisations - Government/ Non-Government may send suitable nominations for the year 2001-2002 awards to Member-Secretary, INCID for consideration and processing the awards. The deadline for receipt of nominations for 2001-2002 awards is September 30, 2001. The selection of winners from amongst the nominations received will be made by a Selection Committee headed by Chairman INCID and CWC and representatives from WAPCOS, ICAR, WALMI nominated by Chairman, Vice-Chancellor of Agricultural University nominated by Chairman, one eminent personality nominated by M/s. Jain Irrigation System Ltd., and nominee of M/s. Jain Charities.
