WALKS THE TALK

BOOKS ■

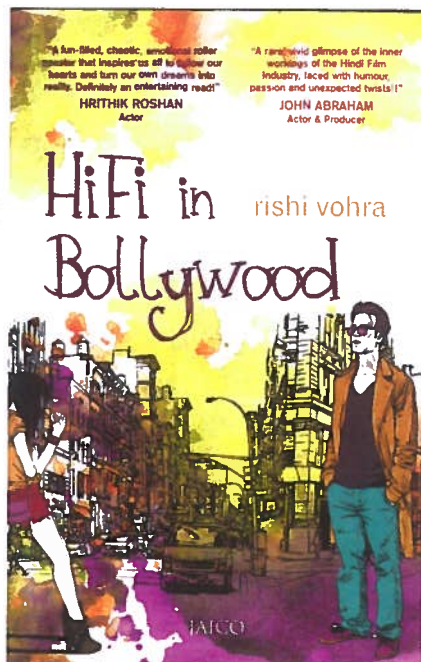

In **'Sita's Sister'**, author Kavita Kane tells the story of one of the most overlooked characters in the 'Ramayana'. "Urmila is that enigmatic lady whom all chose to ignore. And what happened to her and the other two cousins who married the princes of Ayodhya? These are the questions I have tried to answer through this book," says the author.

Rupa Publications, ₹ 295

Author Rishi Vohra gives us a glimpse of Bollywood in **'HiFi in Bollywood'**. He avers, "The book is based on my experiences in the film industry. A twitter post by Salman Khan inspired me to tie the term HiFi in with the story."

Jaico Books, ₹ 299

In his book **'She & Me'**, author Bhavarlal H Jain reminisces about his late wife Kantabai. "I wanted to convey the message that an idyllic married life is possible for those who walk hand-in-hand with common lofty motives," says the author.
