I was very happy to see the agrovoltaic Precision Farming, Aeroponics, Hydroponics, Primary Hardening, Secondary Hardening, Verticle Farming. I wish farmers from that region and elsewhere in the country get to utilize the technology what you have developed.

- A.P.J. Abdul Kalam, Ex-President of India

"I have been privileged to know of Jain and to appreciate his dedication and his sense of responsibility to everybody and to India."

- Marc Verhille, Banque Indo Suez, USA (19-04-1985 / 1990)

भाऊ, आज के बाद आप उद्योगों से नहीं, गाँधी तीर्थ से जाने जाएंगे।

- श्रीमती प्रतिभा पाटील, तत्कालीन राष्ट्रपति, भारत

This success is of course very largely due to your enormous efforts and if anyone has deserved success in the world of business at this time, then your success is very richly deserved!

- L. Auchincloss, Biocon Biochemicals Ltd., Ireland (03-03-1987)

भवरलालजी में व्यवहार ज्ञान और तत्त्वनिष्ठा, दातृत्व और हिसाबीपन, सज्जनता और विवेकशीलता का बड़ा मनोरम संगम था। संसार में संपन्नता और शुचिता, वैभव और पावित्र्य एक साथ बिरले ही पाये जाते हैं। भवरलालजी में इन परस्पर विरोधी गुणों का मधुर मिलाप था।

- न्या. चंद्रशेखर धर्माधिकारी

I am sure that your careful planning of Drip Irrigation will pay off in helping India feed its ever increasing population.

- Dick Chapin, Chapin Watermatics, USA (06-03-1990)

भवरलालजी, हे व्यक्तिमत्व, देशावर प्रेम करणारं, देशातल्या शेतीवर प्रेम करणारं, शिवारामध्ये राबणाच्या माणसाच्या हिताचा आणि दुनियेमध्ये जे काही संशोधन झाले किंवा नवीन घडत आहे त्याचा सतत विचार करणारं. पाण्याचा संचय असो, शेतीची उत्पादकता वाढविण्याच्या संबंधी घोरण असो, त्याच्यावर प्रक्रिया करण्याबद्दलची ही निती असो, आणि शेवटी बळीराजाचा संसार कसा सुधारेल या संबंधीचा विचार असो हे सगळे भवरलालजीचे ध्यास होते.

- शरद पवार, माजी कृषी मंत्री, भारत (२७ फेब्रुवारी २०१६)

आपल्या शेतीचे जे भविष्य आहे ते खऱ्या अर्थाने हे जैन हिल्सला साकारण्याचे काम माननीय भवरलालजी जैन यांनी केले आहे. गेली पन्नास वर्षे पूर्णपणे त्यांनी शेतीला वाहून दिले. एकूणच जैन इरिगने केवळ देशातच नाही तर जगामध्ये महाराष्ट्राचे आणि जळगावचे नाव पोहोचविले.

- देवेन्द्र फडवणीस, मुख्यमंत्री, महाराष्ट्र राज्य (२० जून २०१५)

I found the place very interesting. My purpose was to meet people and not trees. But in this place I found that even trees could speak. If ever I find time to meet scientists, I know where to come.

- Daksesh J. Parikh, Times of India, Mumbai (14-07-1991)

This is a spiritual campus. Bhavarlal Jain's magnificent and futuristic vision coupled with profound humanism is fully carved out in the creation of this school - Anubhuti.

- Kumar Ketkar, Editor, Loksatta, Maharashtra-India (20-09-2000)

It was a great and most exhilarating experience to hear from Mr. Jain about the nature of the work done here. Here are the seeds of a new agricultural revolution in our country.

- George Fernandes, Minister of Railways, GoI, India (09-06-1990)

It's a vision on display here in Jalgaon. Jains' must be complimented for being responsible to see the future of India today and having the ability to put it into action. Salute to the vision.

- Suresh P. Prabhu, Minister of Power, Govt. of India, India (30-04-2001)

"You have proved to be a role model for youngsters and also have given a new direction to the farming community."

- Dr Mohan Dharja, Former Union Minister, India (12-12-2009)

"My heartiest compliments to Shri. Bhavarlalji and family for creating a world class institution from scratch in a matter of hardly two decades from barren wasteland."

- Shishir Bajaj, Bajaj Hindustan, Mumbai, Maharashtra-India (14-07-2010)

"What you did is a new world in a country like yours. You are thinking for the children of the future. Here you have taken a social jump for the people you love."

- Jose Cutrale, Araraquara, Brazil (11-06-2008/22-12-2008)

You represent the best leadership in our global food system and we are grateful for the opportunity to develop a case study with your help on your operations.

- Ray A. Goldberg, Harvard Business School, Boston-USA (28-09-2010)

श्रीमान भाऊ ने केवल कृषि आधारित उद्योग का निर्माण ही नहीं किया, बल्कि उनकी सारी उपलब्धियां मानव मूल्यों के निर्माण पर आधारित हैं।

- डॉ. एस.एन. सुब्बाराव, बरिष्ठ गाँधीवादी

Your Chairman is one of the most enlightened industrialists I have met worldwide. It is no wonder Jains is a successful and respected organization.

- Stacy Standley, Aspen, Colorado-USA (22-10-1992)

"We were impressed by your proud retention of the age-old time-honoured family traditions. Your life-style supports my favourite principle that the more nativistic one is, the more internationally prestigious one will be."

- Bhalchandra Nemade, University of Bombay, Maharashtra-India (20-09-1993)

Your relentless struggle and unbounded enthusiasm blended with single-minded pursuit of converting Indian agriculture from its subsistence level to commercial success will, I am sure, bear fruits with the blessings of the Almighty.

- P. N. Joshi, The United Western Bank Ltd., Satara (15-02-1996)

Business with social commitment is rarely seen in practice. A living example of "Business with Social Commitment" is indeed the Jain Group.

- Dr. Coorjam, Farmers Service Corporation (December 1993)

हमारा देश बड़ा सौभाग्यशाली है, जहाँ पूज्य भाऊ अपनी दूरदृष्टि, तन-मन व धन का सदुपयोग करके देश के लिए भावी नागरिक का निर्माण कर रहे हैं। जहाँ देश में ऐसे स्वस्थ व संकल्पवान नागरिकों का निर्माण होगा तो हम देश को विश्व के उच्चतम शिखर पर स्थापित करने में समर्थ होंगे।

- Mahavir Taparia, Supreme, Mumbai, (04-07-1994)

भवरलालजी में अपनी ओरिजिनैलिटी अर्थात जैन संस्कृति और दर्शन को जीवन व व्यवहार में लाने और लिबाने की दृढ़ता देख कर मैं अभिभूत हूँ।

- Sundarai Patwa, Chief Minister, Madhya Pradesh (24-04-1994)

When my partners and I agreed to sell to Jain Irrigation, I of course didn't know what to expect. Today I'm very pleased, satisfied, confident, and most importantly, happy with becoming part of the Jain family of companies.

- Jack Sollazzo, Cascade Specialities Inc. Boardman, USA (28-12-2007)

A symphony of Western work culture and Indian ethos is a subject very dear to my heart. My visit to your empire cum heritage turned out to be a pilgrimage in the true sense of the term.

- Prakash Lohia, India (03-09-2004)

Your visionary leadership for equitable and sustainable business practices in the widest sense is an education for us. This is the beginning of a great relationship at a global scale, whatever form it takes.

- Goy Wallert, The Coca-Cola Company, Atlanta-USA (22-02-2008)

The organised and intensive way in which you have developed the areas shows your bright imagination and willpower to achieve success. Your countrymen should be proud of your signal contribution to the agricultural development programme of India.

- Rabindra Ghurburrun, President of the Republic of Mauritius (03-01-1997)

Impressed with your creative ideas and efforts. I believe your enterprise enlightens the future of mankind.

- Kumio Tada, Yokohama National University, Japan (06-12-2001)

If there were more B H Jains, then most of India's problems would have been solved, specially in agriculture. When Indians will ask me how Israel achieved such progress in agriculture, high-tech etc., I will send them to Jain company.

- Dr. Yehoyada Haim, Israel Ambassador to India, New Delhi-India (27-02-1997)

Impressed with your creative ideas and efforts. I believe your enterprise enlightens the future of mankind.

- Kumio Tada, Yokohama National University, Japan (06-12-2001)

"I came to this place which represents not only an Utopia in mind but is to be seen as an invaluable seed for the bright future of India. I feel privileged and honoured to have seen this work of a visionary."

- Regina Holm, Isle of Man, Denmark (30-01-2011)

I am happy to know there is a person, who deeply thinks about life and the world. I am sure he is a person, who basically supports India or probably the world through his business.

- T. Yoshiur Guruna Chiv, Japan (06-12-2001)

**Bhau was many things to many people around the world, but to us his family and friends, colleagues and associates, he was the most wonderful, warm, loving, and caring human being**
